

## Door County Environmental Council Scholarship

The Door County Environmental Council advocates for socially responsible development and recreation in Northeast Wisconsin. We seek a high school senior or secondary junior or senior student that is committed to economical and sustainable resources and is a Door County Native.

1. Submit a resume which highlights coursework in the major and activities related to the major, including internships, volunteer activities, and involvement in the community;
2. Submit an application which is no more than two pages typed, and double-spaced, explaining commitment to preserving natural resources.
3. Is a citizen or legal permanent resident of the United States
4. Included in application: Student profile, three reference letters and unofficial high school transcript along with college enrollment.

To apply send your application to [contact@dcec-wi.org](mailto:contact@dcec-wi.org).
