

PETITION UPDATE

No Quarry RV Village!!!! We Did it!

Old Quarry Development

Sturgeon Bay, WI, United States

JAN 1, 2021 —

After twenty months of Door County residents fighting a 117 unit RV Village proposed by Quarry Bluff Development LLC and the Margaret Dreutzer Trust, the Conditional Use Permit is finished. Kaput!

Quarry Bluff Development LLC has withdrawn their appeal of the February 2020 Door County Resource Planning Committee's (RPC) Conditional Use Permit denial. A February 2, 2021 appeals hearing was scheduled.

Thank You to the 5,000+ signers of the petition who helped defeat the high-density subdivision proposal on Bay Shore Drive in Door County, Wisconsin. Quarry opponents will continue our vigilance to protect and preserve the quarry.
